According to legend, a small village was built along the edge of a beautiful lagoon. Then an erratic typhoon blew through this majestic area, devastating the village and turning everything upside down and inside out.

But in the storm's wake was left a remarkable scene. A surfboard had penetrated completely through a huge tree. A small boat had blown through the roof of one building. A great buoy had crashed through the roof of still another. The Placid Palms Resort was now the Leaning Palms, almost ready to topple over at any moment.

A small harbor had been cut off from the sea, trapping an overturned boat and thousands of colorful fish, plus a few sharks along the way! Nothing, however, topped the sight of the shrimp boat, "Miss Tilly," impaled precariously on the peak of the great volcanic mountain. To this day, the mountain tries vainly to dislodge its unwelcome burden with an enormous geyser of water every half-hour!

Kick off your shoes and get ready to party the night away! A lush tropical oasis is the setting for your dinner event. **Disney's Typhoon Lagoon Water Park Main Beach** will be alive with music and excitement, and great food!

The clock tower stage will be the hub of your seaside entertainment. A high energy, interactive disc jockey entertains Guests and encourages dancing in the sand!

Guests will enjoy a delicious buffet dinner created by our talented Disney Chefs. Buffets are decorated to fit right in with the tropical theme, and refreshing beverages will quench Guests' thirst throughout this "hot" beach event. It is sure to be a night of fun that your Guests will not soon forget!

Streetmosphere Performers

Disney's very own highly interactive improvisational entertainers are themed to their surroundings and are some of the most unusual, unique, and unbelievable characters you'll ever meet. Every interaction with them is a mini show guaranteed to bring humor, entertainment, and excitement to your Guests. Armed with your corporate history and lingo, they are able to deliver messages, entertainment, and instructions dedicated to your event, theme and corporate culture. Three fun streetmosphere options are listed below.

Ray Watch

Ray Watch is the resident lifeguard on duty who likes to think of himself as the Life-ring of the event! Under his watchful eye and quick action, Ray is dedicated to plunging in and saving people on the dance floor. Using his detailed training and expertise, he may use the "Buddy System" or the "Sink or Swim" method to encourage Guests to demonstrate their dancing prowess. There is also the international "S.O.S." technique which requires all hands on deck (dance floor) for an interactive dance to the Police song "Message in a Bottle."

Tacky Tourists

This couple is enthralled to see the Lagoon they've heard and read so much about. Their idea of excitement and fun will spill out to your Guests. You've seen them before: socks and sandals, polyester, flowered hat, sunscreen, and camera. They are ready for the tour!

Beachcomber Bob

A real beach bum who has a flair for telling tales that keep the Guests on the edge of their seats. Beachcomber Bob is one of a kind indeed. He takes great pride in his unofficial role as mayor of the beach and his favorite pastime is looking for metal objects using his trusty metal detector, named Scout. Bob is friendly, almost too friendly at times; however he is quite harmless. Listening to his stories, Guests find themselves wondering if he is playing with a full deck or not. Bob is a fun character living in his own carefree beachcomber world.
